

**FOR IMMEDIATE RELEASE**

## **Brajinder Singh Promoted to Associate Partner at Clarkston Consulting**

CARLSBAD, CA — January 29, 2008. Clarkston Consulting, a leading management and technology consulting firm, announced that Brajinder Singh has been promoted to Associate Partner in the Carlsbad, CA office. Mr. Singh joined Clarkston Consulting in 1998 and has over twenty-two years of industry and consulting experience specializing in system implementations, with a focus on FDA regulated environments and processes. His implementation experience also includes all phases of the system development life cycle including project management, business re-engineering, project planning, design, construction, training, conversion, and post-implementation support. Mr. Singh has extensive experience in the consumer products, apparel, pharmaceutical, medical devices, and medical diagnostics industries.

“Brajinder’s outstanding performance has played a pivotal role in the growth of Clarkston’s services, intellectual capital, and client relationships. We are excited about his move to the West Region, further fueling Clarkston’s high growth West Region”, said Mark Ginestro, Clarkston’s West Regional Managing Partner.

Prior to joining Clarkston, Mr. Singh spent twelve years at Sara Lee Hosiery where he managed a variety of business and IT initiatives that supported the global planning and manufacturing operations. He also spent several years in consulting, where he delivered SAP solutions for consumer products companies.

Mr. Singh received his Bachelor of Science degree in Computer Information Systems from High Point University located in High Point, North Carolina.

### **About Clarkston Consulting**

Clarkston Consulting is a different kind of management and technology consulting firm. We deliver a unique experience for market leaders within the Consumer Products and Life Sciences industries. Considering professionalism, expertise, and value as prerequisites, we take service a step further through our unyielding commitment to the success of people as individuals, both our clients and our employees. By combining integrity, adaptability, and a whatever-it-takes attitude, we have achieved an extremely high rate of referral and repeat business and a client satisfaction rate of 97% over the past five years as measured by The Conference Board.
